Rackets Cubed	Rackets Cubed is a UK registered charity that delivers an integrated programme comprising racket sports, STEM education and a healthy nutritious meal as part of weekly activities to key stage two pupils in disadvantaged and underserved areas – providing the children with key benefits of active participation in sport, enhanced education and a healthy and nutritious meal.	£800 school contribution	The children accessed this provision which had a multi-faceted benefit for the children: they had the opportunity to not only develop their activity levels and skills in racket sports trained by a professional coach, they also accessed a comprehensive programme of STEM activities led by a qualified teacher each week. At the end of each session, the children were provided with a hot meal before going home.
Sports Partnership Provision	Sign up to the sports partnership programme to support the school in the planning and delivery of PE, provide a range of sporting event and competitions across the local authority, provide CPD events for staff/conference for subject leaders and to develop and share resources	£5000	Sports partnership supported schools and coordinated events throughout the year. Provided CPD opportunities for staff which has given staff the confidence to deliver effective PE sessions. Subject leader conferences and support throughout the year has upskilled our PE Leads to ensure our provision is up-to-date and meeting our statutory requirements. The Sports Partnership has also provided additional support and training for our PE Leads who have only just taken on this subject area of responsibility.
